NEEDLE EXCHANGE

Lengthy question and answer session was held between members of Nelson Fiscal Court and representatives of LTADD and the local Health Department; following discussion, Court members approved a resolution regarding implementation of a needle exchange program locally as moved by Jerry Hahn, seconded by Bernard Ice, and by affirmative vote of all Court members present:

**A RESOLUTION
REGARDING THE CREATION OF A SYRINGE ACCESS EXCHANGE PROGRAM**

WHEREAS Kentucky is suffering from an epidemic of heroin and other injection drug use as evidenced by the increases in all of the following: drug overdoses and untimely deaths, emergency room visits and hospitalizations due to heroin and other drug use, babies born to women with drug addiction, rates of communicable diseases, and law enforcement arrests and incarceration due to heroin and other drug possession and associated criminal activity and Nelson County is experiencing increased rates of the same;

WHEREAS needles, syringes, and other equipment for injection drug use can become contaminated with blood that contains hepatitis C, hepatitis B, and HIV and these viruses can be transmitted when such equipment is shared among injection drug users;

WHEREAS contaminated drug injection equipment puts the public and first responders at risk for exposure through accidental needle sticks when such contaminated equipment is improperly discarded;

WHEREAS the Hepatitis C crude rates in Nelson County increased from 2.7/100,000 population in 2007 to 8.9/100,000 population in 2014 exceeding both the state rate of 4.0/100,000 and national rate of 0.7/100,000 population further increasing the risk for new cases;

Fiscal Court Orders

WHEREAS the cost of the medications for one course of treatment for Hepatitis C is \$84,000 and left untreated, may progress to cirrhosis, liver cancer or liver failure requiring a liver transplant at a cost of \$600,000;

WHEREAS sharing needles, syringes, and other drug injection equipment is the second highest cause of HIV infection in the United States, and in addition, 1 in 5 intravenous drug users are positive but do not know their status;

WHEREAS the cost of treating HIV infection, a lifelong chronic disease, is \$600,000, and for every \$1 spent on a syringe access exchange program, \$3-\$7 is saved on costs associated with HIV infection;

WHEREAS the Indiana State Department of Health and the Centers for Disease Control and Prevention (CDC) are investigating a large outbreak of human immunodeficiency virus (HIV) infections among persons who inject drugs in Scott County, Indiana and the CDC has issued a health advisory recommending that health departments ensure persons actively injecting drugs have access to integrated prevention services, including but not limited to access to sterile injection equipment from a reliable source;

WHEREAS the Lincoln Trail District Health Department is statutorily mandated per KRS 211.180 to perform the duties of detection, prevention, and control of communicable diseases such as Hepatitis C and B and HIV and implementation of a syringe access program helps fulfill this mandate;

WHEREAS syringe access programs have been operated in the United States since the 1980's, with 211 programs operating in 32 states, DC, Puerto Rico, and Indian nations;

WHEREAS researchers at the National Institutes of Health, the General Accounting Office, the CDC, and the National Academy of Sciences concur that syringe access exchange programs are an effective public health approach to reducing HIV and viral hepatitis infection;

WHEREAS syringe access programs have been supported as a harm reduction strategy by many health and governmental organizations including the CDC, the American Medical Association, the American Public Health Association, the American Pharmaceutical Association, the American Psychiatric Association, the American Bar Association, and the US Conference of Mayors;

WHEREAS research has also shown that syringe access exchange programs advance public safety, including the safety of law enforcement officials, by taking contaminated syringes off the streets and out of parking lots, parks, school grounds and playgrounds;

WHEREAS syringe access programs are an important link to mental health and addiction treatment services, serve as an entry point for other health care services, such as testing for HIV, HCV, pregnancy, and sexually transmitted diseases, vaccinations, overdose prevention kits, and education and counseling, and are cost effective interventions compared to treating HIV and Hepatitis C and other diseases associated with intravenous drug use;

WHEREAS syringe access programs have also been shown to NOT encourage individuals to begin using drugs, nor increase drug use among existing users, nor increase crime in neighborhoods in which such a program operates;

WHEREAS the Nelson County Fiscal Court along with the Lincoln Trail District Board of Health is concerned about the public health risks associated with this epidemic of injection drug use due to the rapid increase in the rates of hepatitis C and B over the past several years, with a substantial portion of cases reporting a history of injection drug use;

AND WHEREAS the General Assembly of the Commonwealth of Kentucky passed Senate Bill 192 in the 2015 Regular Session which amends KRS 218A.500, adding sections (5) (a) – (c), enabling local health departments to operate a substance abuse treatment outreach program which allows participants to exchange hypodermic needles and syringes with the consent of the local board of health and the legislative body of the city and county in which the program would operate;

NOW THEREFORE, BE IT RESOLVED on this DATE, the 6 of Dec., 2016 that the Nelson County Fiscal Court believes that a syringe access exchange program would reduce the risk of spreading infectious diseases through the availability of sterile drug injection equipment for the above stated reasons.

AND

LET IT BE FURTHER RESOLVED that the Nelson County Fiscal Court approves the Lincoln Trail District Health Department to develop an evidence based phased syringe access exchange program in Nelson County to prevent and control the spread of communicable diseases associated with injection drug use and in so doing advance the public safety of Nelson County

March 31, 2016

Nelson County Department of Maintenance
200 Plaza Drive
Bardstown, KY 40004
Attn: Keith Willett

RE: Nelson County Civic Center

Dear Keith:

BCD, Inc. proposes to furnish ~~all labor and material~~ and material to remove and replace approximately 90 sq. ft. of EIFS parapet cap and refurbish 890 sq. ft. of EIFS parapet cap. for the sum of \$10,695.00. This excludes replacement of rotten substrate. Rotten substrate will be replaced on a time and material basis.

If you want to proceed with this work, please contact me and we can review it together in the field to make sure we are in agreement on the scope, prior to final contract. .

Billings will be as follows:

- *Billings provided to the owner by the first (1st) of the month shall be paid by the fifth (5th) of that same month.
- *If billings are not received on the first of the month, they shall be paid within five (5) days of receipt of the billing.
- *Past due bills are subject to a service charge of 1½% per month.
- *All workmanship and materials are warranted for one (1) year. Any repairs after the expiration of one (1) year will be billed on a time and material basis.
- *BCD, Inc. provides construction cleanup only. At the owner's expense, the owner may elect to have a professional cleaning service clean the building after construction is complete.
- *This proposal is valid for thirty (30) days.

Following explanation of scope of this project and type of materials that must be replaced, on motion of Jeff Lear, second of Jerry Hahn, by unanimous vote of the Court, IT IS HEREBY ORDERED to accept BCD's proposal for repair of the Civic Center parapet cap (Hutchins absent from vote).

"14 TREAT NO TRANSPORT"

POWER LOAD SYSTEMS - Joe Prewitt described two power load systems that were obtained in previous years through Homeland Security Grant funding. Application this past cycle did not result in additional funds; however, two demo power load systems have been located at a cost of \$17,000 each--normal price is \$22,000. Following information to Court members explaining this type of system and its function of taking patients in and out of ambulances, its benefit in helping prevent injury when patients are obese, and noting that this is a budgeted item, on motion of Keith Metcalfe, second of Jeff Lear, by affirmative vote of all Court members present, IT IS HEREBY ORDERED to authorize purchase of EMS power load systems as described by Joe Prewitt. (See Purchase Order - Page 145)

ON-GOING - Prewitt also reported that various issues related to the contract with ESO are being addressed. He also told Court members that construction of the New Haven tower is complete except for installation of a security fence; frequency issues are being addressed.

**LANDFILL/SOLID WASTE

Landfill Engineer John Greenwell reported that work is routine. Holidays scheduling this season will not change from regular scheduling except that landfill will be closed Christmas Eve.

**ROAD DEPARTMENT

Jim Lemieux gave routine report, including on-going boom mowing, chip seal patching, road sign replacement, installation of entrances, and filling of salt barn. County trucks have been readied for snow plowing.

WOODLAWN RD. CULVERT GUARDRAIL - Brad Spalding presented bid report for guardrail installation on Woodlawn Rd:

Woodlawn Road Culvert Guardrail Installation Quotes

	<u>TOTAL COST</u>
NWK Construction, Inc.	\$10,040
N. H. Stone, Inc.	\$13,890
Eden Fence Inc.	\$13,940

Grant funding will be applied to this project. On motion of Bernard Ice, second of Keith Metcalfe, by affirmative vote of all Court members present, IT IS HEREBY ORDERED to award the contract for Woodlawn Rd. Culvert Guardrail Installation to NWK Construction, Inc.

GREENS CHAPEL/MURPHY LN - Road slide repair on Greens Chapel Rd has been completed. Murphy Ln. work is underway; gabion baskets are currently being installed. Goal is to complete as soon as possible because electric line is scheduled to be installed in a few days.

GREENS CHAPEL RD CULVERT - Brad Spalding described a 66" pipe, 75 ft. long, that needs to replace a deteriorating culvert on Greens Chapel Rd. Cost will be around \$10,000. On motion of Jerry Hahn, second of Bernard Ice, by affirmative vote of all Court members present, IT IS HEREBY ORDERED to approve replacement of the Greens Chapel Rd. culvert as outlined by Brad Spalding.

RECOGNITION OF JIM LEMIEUX - Judge Watts and Nelson Fiscal Court recognized retiring County Engineer Jim Lemieux. Judge Watts outlined many of the projects Lemieux has overseen in his time during his tenure with Nelson County, including construction of nearly 90 miles of rural waterlines, design and construction of Nelson County's contained landfill, help with implementation of county garbage service, road design and maintenance of county roads and bridges, design of new bridges and culverts, design and/or upgrade of many county buildings (including Sutherland Bldg., Rd. Dept. Bldg., Jail, Sheriff's Office, Police Office, Animal Control Center, Fairgrounds Canopy, Old Courthouse, Justice Center and more), and help with coordination and development of the Nelson County Industrial Park. Personal expression of gratitude was extended to Jim Lemieux by Judge Watts. Plaque was presented: "In appreciation of your hard work, dedication and oversight of numerous county projects as Solid Waste Director and County Engineer, Nelson County Fiscal Court recognizes and appreciates your work and expertise. Your tireless dedication will always be remembered--May 22, 1991 to Dec. 16, 2016."

Fiscal Court Orders

Comment:

The Nelson County Fiscal Court does the payroll for the Sheriff's office. Nelson Fiscal Court pays the social security, retirement and fringe benefits. The sheriff's office pays the health benefits to Nelson Fiscal Court.

On line 11, part 2, are county claims as follows; serving juvenile summons, attending fiscal court meetings and transporting prisoners.

Line 20 is different. This is for state prisoners that have been indicted

ANNUAL ORDER SETTING MAXIMUM AMOUNT FOR DEPUTIES AND ASSISTANTS

Pursuant to KRS 64.530(3), "... The fiscal court shall fix annually the maximum amount, including fringe benefits, which the officer may expend for deputies and assistants....".

The fiscal court of NELSON County in compliance with state law hereby sets the maximum amount which the SHERIFF of NELSON County may expend from fees during calendar year 2017 at \$947,200

for deputies, assistants and other employees. The maximum amount as set includes all amounts paid from fees for:

- Full time salaries and wages
- Overtime wages
- Part time salaries and wages
- Vacation and sick leave
- Health insurance
- Insurance other than health
- Employer match SS/Retirement
