MEMORANDUM

To: Dean Watts, NCJE & Magistrate
From: Bradley T. Spalding, P.E.
Date: 02/24/20
Subject: Road Department Dually Pickup
2005 Chevrolet 3500, 4 x 4, VIN 1GBJK392X5E120801

Dean & Magistrates.

The 2005 "red" dually 3500 pickup truck (237,750 miles) was sent to Bachman Auto Group in November 2019 for transmission diagnoses. Bachman Auto Group worked on the transmission and indicated the transmission needed to be replaced. The transmission is an Allison Transmission with a cost of \$3,500 with an additional \$2,000 for installation.

After discussion with Dean, we decided not to spend this much money on this truck. Attached are pictures of the red dually.

We would like to surplus this truck.

The Kentucky Department of Surplus Equipment has a salvaged title truck for sale.

- 2012 Dodge Cab and Chassis, 29,000 miles for a cost of \$6,000
- Estimated parts and frame straightened is \$4,500.
- Flat Bed has been removed by the KYDOT
- Attached are pictures of this truck as well.

We request Fiscal Court to review and discuss at the next Fiscal Court meeting purchasing the 2012 Dodge Cab and Chassis with part repairs to be completed by Nelson County Road Department. Frame straightening by others.

A dump bed could be purchased and installed for approximately \$9,000 once we complete all repairs.

Thanks

Brad Spalding
