AMERICANS WITH DISABILITIES ACT OF 1990

The County will provide reasonable accommodation to qualified individuals with a disability who, with an accommodation, can perform the essential functions of the job, unless the accommodation will impose an undue hardship for the County.

EMPLOYMENT OF RELATIVES

The employment of relatives is addressed in the Nelson County Ethics Ordinance, No. 150.102. The hiring practices of the County shall reflect the standards set forth in this ordinance.

CONDITIONS OF EMPLOYMENT

INTRODUCTORY PERIOD

Initial:

All persons initially appointed to regular positions shall be on an initial introductory period of six (6) months. For part-time positions, the introductory period shall be equal to 1,000 hours of employment.

Promotional:

Any employee who has served an initial introductory period and is promoted from within the County service to a new position shall be on an introductory period (referred to as a promotional introductory period) in the new position for a period of six (6) months, except for a part-time employee, who has worked for 1,000 hours and is awarded a full-time position in the same job as he or she worked part-time.

1.
 - a. While on an initial introductory period, an employee may be dismissed at any time without right of appeal.
 - b. An employee serving a promotional introductory period may be reinstated, without right of appeal, to the position from which he/she was promoted or to a position comparable to the one from which he/she was promoted.
2.
 - a. The introductory period may be extended for a class of positions if it is deemed that a longer period is needed to learn the work and evaluate that effectiveness of the work performed.
 - b. An introductory period extended for a class of position may be extended for no longer than six (6) months.
3. Prior to the completion of the initial six (6) month introductory period, but not less than three (3) months, the employee's performance shall be evaluated on a preliminary basis by the supervisor or department head. A determination shall be made at that time relevant to continuation of the introductory period.
4. During the initial introductory period, a new employee shall not take vacation or sick time which has been earned or accrued. If an employee terminates before the end of the introductory period, no payment will be made for any benefits earned or accrued.

The request must be in writing.

Exit Interview

Employees departing employment with the County are encouraged to participate in an exit interview. Such an interview enables the Personnel Officer to obtain information to reduce employee turnover, provide better employee selection, improve working conditions, and obtain information that could lead to improved employee morale.

All eligible employees must follow current CERS requirements. Any employee coming to work for the County that is currently enrolled in the State or County Retirement shall be eligible for retirement benefits on the first day of employment with the County.

PROGRESSIVE DISCIPLINE

1. The policy of the County is to be patient, fair and consistent in the administration of the organization and its employees. When problems arise, emphasis is on improvement and/or correction rather than punishment. However, willful, continued, or inexcusable breaches of County employment rules must be dealt with firmly under a uniform disciplinary policy which applies to all employees.
2. When an employee fails to follow any rule, regulation, operating procedure or job requirement, one of the following measures shall apply, depending upon the circumstances involved and the severity of the offense:
 - a. Verbal Warning
 - (1) In the case of a minor infraction, the immediate supervisor or department head shall administer the verbal reprimand without rancor as soon as possible after the offense
 - (2) The date of the verbal reprimand, along with a description of the occurrence which prompted the reprimand and any comments the employee may have made, shall be noted by the person giving the reprimand in his/her own supervisory file.

- c. **Suspension**
 - (1) After either a serious violation or repeated minor violations, the supervisor or department head shall request, in writing, that the County Judge/Executive suspend the employee with or without pay. The request shall include the reason(s) for the suspension, along with details of previous disciplinary action/s taken against the employee.
 - (2) The County Judge/Executive, with the approval of the Fiscal Court, may suspend an employee for any period up to and including four (4) calendar weeks, depending upon the offense's severity.
 - (3) When a decision to suspend an employee is made, the County Judge/Executive shall provide written notification to the employee within three (3) working days. The notice shall include the reason(s) for and duration of the suspension. Any Solid Waste employee not wearing a safety vest will be suspended without pay for one (1) day. Any further violation will be considered a serious violation and become subject to other disciplinary action.
 - (4) Employees suspended without pay for a period of four (4) calendar weeks shall forfeit all fringe benefits, with the exception of medical coverage.

Suspension With Pay

In situations where the County has become aware of alleged misconduct by an employee which, if substantiated, could result in disciplinary action, the appointing authority may suspend the employee with pay if it is determined the action is necessary to assure public confidence in governmental oversight of its employees, or to assure the integrity of County's inquiry into the allegations.

In the event it is necessary to suspend an employee with pay, the following procedures shall be observed:

- (1) The County shall, if possible, immediately provide verbal notification to the employee, followed by written notification, within three (3) working days, informing him/her of the suspension and the nature of the allegations being investigated.
- (2) Consistent with existing personnel procedures, the County shall immediately begin an investigation into the allegations against the

employee. This investigation shall be carried out expeditiously, and in no instances shall it be delayed beyond what is considered reasonable and necessary to conduct a complete investigation.

- (3) Upon reaching a determination as to the culpability of the employee, the appointing authority shall take action, as follows:
 - i. In the event the allegations against the employee are valid, the appointing authority shall invoke disciplinary action as deemed appropriate. These actions shall not include payment of wages in the event the suspension is extended beyond the investigative period; or
 - ii. In the event the allegations against the employee are proven to be false, the employee shall immediately be reinstated to his/her position.
- (4) During the time an employee is on suspension with pay he/she is considered to be performing services for the County. Therefore, the employee must remain available to return to work within 24 hours of receiving written or verbal confirmation of his/her reinstatement from the appointing authority. In the event the employee is notified of this reinstatement verbally, the County shall provide written verification within one (1) working day.
- (5) Nothing in this policy or procedure should be construed as limiting the authority of the local government to suspend an employee without pay in those instances where such action is deemed appropriate.

d. Dismissal

- (1) When an offense is continually repeated, or misconduct is serious enough for discharge on the first offense, a supervisor or department head may recommend dismissal of an employee. The recommendation shall include the reason(s) for dismissal, details of previous disciplinary action taken against the employee, and the recommended effective date and time of discharge.
- (2) Upon review of the supervisor or department head recommendation to dismiss, the County Judge/Executive shall provide the employee with a letter of intent to dismiss containing: (a) the reason(s) for dismissal; (b) the details of previous disciplinary action(s) taken against the employee; and (c) the recommended effective date and time of the intended discharge.

- (b) The request for a pretermination hearing must be made within five (5) working days of the employee's receipt of the letter of intent-to-dismiss, excluding the day it was received. If the employee does not submit a request for a pretermination hearing within five (5) working days, it will

be deemed that the employee has waived his/her right to a pretermination hearing.

- (c) The pretermination hearing shall be held within five (5) working days after receipt of the employee's request, excluding the day it was received.
- (d) The pretermination hearing is informal. It gives the employee the opportunity to respond to charges contained in the letter of notice of intent to dismiss.
- (e) Within five (5) working days, excluding the day of the pretermination hearing, the Fiscal Court shall make a final determination on the termination. The employee will be notified, in writing, of the Fiscal Court's decision by the County Judge/Executive. The decision of the Fiscal Court shall be final.
- (f) Such action shall be recorded in the employee's personnel file.

FAMILY AND MEDICAL LEAVE ACT OF 1993

The Family and Medical Leave Act of 1993 requires "covered" employers with at least 50 employees to provide "eligible" employees with up to 12 workweeks of unpaid, job-protected leave in a 12 month period for specified family and medical reasons.

EMPLOYEE COVERAGE

The FMLA applies to all public agencies, including state, local, and federal employers. Thus, Nelson County is a "covered" employer as defined in the legislation.

Nelson County hereby adopts the most current version of the United States Department of Labor, Wage and Hour Division Publication on Employee Rights and Responsibilities Under the Family and Medical Leave Act, the most current version of which is attached hereto incorporated by this reference and which shall be updated with any revisions of said publication.

LEAVE ENTITLEMENT

Nelson County will grant an eligible employee up to a total of 12 workweeks of unpaid leave during any 12 month period, beginning from the date an employee's first FMLA leave begins, for reasons set forth in the above referenced publication.

SUBSTITUTION OF PAID LEAVE

It is the policy of Nelson County that employees will be required to substitute accumulated paid leave for FMLA leave. Respectively, the employee shall utilize sick leave and vacation leave in place of unpaid leave. To the extent the employee does not have 12 weeks of accumulated leave, the remainder shall be unpaid leave.

The County expressly reserves the right to deny the previous job to "key employees" in instances where such restoration would result in substantial and grievous economic injury to the County. "Key employee" is defined as a salaried FMLA-eligible employee who is among the highest 10 percent of all County employees.

EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- for incapacity due to pregnancy, prenatal medical care or child birth;
- to care for the employee's child after birth, or placement for adoption or foster care;
- to care for the employee's spouse, son, daughter or parent, who has a serious health condition; or
- for a serious health condition that makes the employee unable to perform the employee's job.

Military Family Leave Entitlements

Eligible employees whose spouse, son, daughter or parent is on covered active duty or call to covered active duty status may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period. A covered servicemember is: (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness*; or (2) a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.*

***The FMLA definitions of "serious injury or illness" for current servicemembers and veterans are distinct from the FMLA definition of "serious health condition".**

Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least 12 months, have 1,250 hours of service in the previous 12 months*, and if at least 50 employees are employed by the employer within 75 miles.

***Special hours of service eligibility requirements apply to airline flight crew employees.**

Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and

a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

- interfere with, restrain, or deny the exercise of any right provided under FMLA; and
- discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulation 29 C.F.R. § 825.300(a) may require additional disclosures.

Consolidated Omnibus Budget Reconciliation Act - (COBRA)

The Consolidated Omnibus Budget Reconciliation Act requires employers sponsoring group health plans to offer employees and certain eligible dependents the opportunity to purchase a temporary extension of health coverage, at group rates, in certain instances when coverage under the plan would otherwise end. The following information is intended to give

employees of Nelson County information regarding your rights and obligations under this federal legislation.

Qualifying Events

Employees and eligible dependents provided health insurance by the county are entitled to purchase continuation coverage if a "qualifying event", as described below, occurs:

- a. Termination of Employment/Reduction of Hours - An employee and his eligible dependents can purchase up to 18 months of COBRA coverage if the employee (and his/her dependents) lose health coverage as a result of the employee terminating employment (other than as a result of gross misconduct) or reducing the employee's hours of employment.
- b. Death, Divorce, Entitlement to Medicare, or Loss of Dependent Status - An employee's eligible dependents can purchase up to 36 months of COBRA coverage if the dependents lose health coverage because of the employee's death, divorce/legal separation, or entitlement to Medicare, or because the dependent ceases to be an eligible dependent under the plan.

Eligible Dependent

A dependent is eligible to purchase COBRA coverage if the dependent was covered under the group plan on the day before a COBRA event and will lose coverage as a result of the COBRA event. Each affected employee and dependent can make a separate election whether or not to purchase COBRA coverage. An employee or dependent cannot, however, elect COBRA if he/she was entitled to receive Medicare on the day before the COBRA event.

Employer Notification of Employee/Dependent Eligibility

Upon an employee being hired into a position that is provided health insurance by the county, the employee shall be provided notification of the COBRA program and its applicability to the employee. Additionally, within 14 days of a qualifying event, the county will provide the employee and eligible dependents with notification of the opportunity to purchase COBRA coverage.

Timeframe for Selecting Coverage

The deadline for making a COBRA election is 60 days after the later of the date the required COBRA notice is sent or the date coverage would otherwise end if COBRA coverage is not elected.

Premium for COBRA Coverage

Employees or eligible dependents who elect to purchase COBRA coverage will be charged 102% of the cost of providing the coverage. Under certain circumstances, employees who are determined by the Social Security Administration to be disabled when their employment is terminated are entitled to extend their coverage from 18 months to 29 months. In such cases the premium for the additional 9 months of coverage may be as much as 150% of the cost of providing coverage.

Payment of Premium

The first premium payment must be made within 45 days after the date the employee or dependent elects to purchase COBRA coverage. Beginning with the second month after the election date, all premiums must be paid on a monthly basis and each monthly premium is due on the first day of the month. Payments can be paid no later than the 30th day of the month.

Termination of Coverage

The COBRA coverage period will end on the first to occur of the following dates:

- the date the 18, 29 or 36 month maximum coverage period ends;
- the date the employer terminates all group health plans;
- the first day an employee or dependent fails to timely pay the COBRA premiums;
- the date the employee or dependent is covered under another group health plan, unless the other group plan excludes or limits coverage for a preexisting condition affecting the employee or dependent; or

B. Workers' Compensation Insurance

Workers' Compensation Insurance provides medical and hospitalization expense benefits as well as partial payment in lieu of salary for workers injured on the job. The County pays 100% of this form of insurance.

C. Unemployment Insurance

All employees are covered under this program. Nelson County pays 100% of the cost for this coverage. An individual who terminates his/her employment with the County may or may not be eligible to receive payments under this program, depending upon the circumstances involved in the termination.

D. Social Security

The County and the employee both contribute to the Social Security program at rates specified by the U. S. Congress.

Inclement Weather

In the event of occurrence of weather conditions in which travel to and from work may jeopardize the safety of employees, County offices may be closed at the direction of the County Judge/Executive. Employees will be notified of this action in a timely and appropriate manner.

Where individual circumstances exist, such as longer than average distance of travel to and from the work place, the employee must notify his/her supervisor, and may exercise his/her own judgment in not reporting to work. If County offices are not subsequently closed, this time off will be charged at the discretion of the employee to vacation leave or leave without pay.

Expense Reimbursement

CELL PHONE USE

All County employees who are provided with a County cell phone are permitted to use the County phone for normal personal use so long as the minutes do not exceed the plan allotment. Any minutes over the planned allotment must be reimbursed to the County.

Employees assigned cell phones should make themselves available to take calls after hours for the personnel use.

(Adopted February 1, 2011)

Cell phone use (texting included) shall be prohibited during working hours for employees while operating vehicles requiring Commercial Drivers License (CDL) or conducting flagging operations. This policy shall be applicable to drivers and work being conducted at the rear of the trucks (for example: garbage tippers, road department operators). If cell phone use is necessary or for an emergency, the employee shall park the CDL vehicle in a safe and appropriate location prior to the cell phone use. Bluetooth, ear pieces or other wireless devices shall not be allowed under this policy.

Each department may implement a more strict cell phone policy to fit individual departments' needs provided the more strict policy has been approved by the Fiscal Court. Disciplinary actions for a violation of such shall not exceed ordinance standards.

Violations of this policy shall be suspended without pay for one (1) day. Any further violation will be considered a serious violation and become subject to other disciplinary action.

COUNTY VEHICLE USE

All County employees who are provided with a County vehicle are not permitted to use the vehicle for personal purposes, other than for commuting to and from work or de minimis¹ personal use.

¹De minimis personal use is minimal use such as a stop for personal errand on the way between a business delivery and/or the employee's home or work place. Delivering and picking up children to school is also considered de minimis personal use.

GRIEVANCE PROCEDURE

From time to time, differences may arise between employees and employers. Every attempt should be made by both to resolve these differences on an informal basis.

Pending failure of resolution on an informal basis, any grievance or dispute which may arise from employment with the County shall be resolved in the following manner:

Step One:

1. a. The aggrieved employee shall present the grievance to his/her supervisor within three (3) working days of its occurrence or within three (3) working days of knowledge of its occurrence.
- b. The grievance (and all subsequent appeals) shall be in writing, and shall set forth the reasons and grounds for the grievance along with statement of the relief sought. The supervisor shall attempt to adjust the matter and shall respond to the employee in writing within three (3) working days.
- c. If the grievance is with the supervisor, the aggrieving employee will begin the grievance procedure at Step Two.

Step Two:

1. a. If the grievance remains unresolved, it may then be presented by the aggrieved employee to the County Judge/Executive within three (3) working days after receiving the department head's written response.
- b. The County Judge/Executive shall hear both parties and shall resolve the grievance/s within ten (10) working days. The decision of the County Judge/Executive is final.
