

ADDENDUM #1

PROJECT 2017-NC-002

Hugh Ice Loop Road Bridge Construction

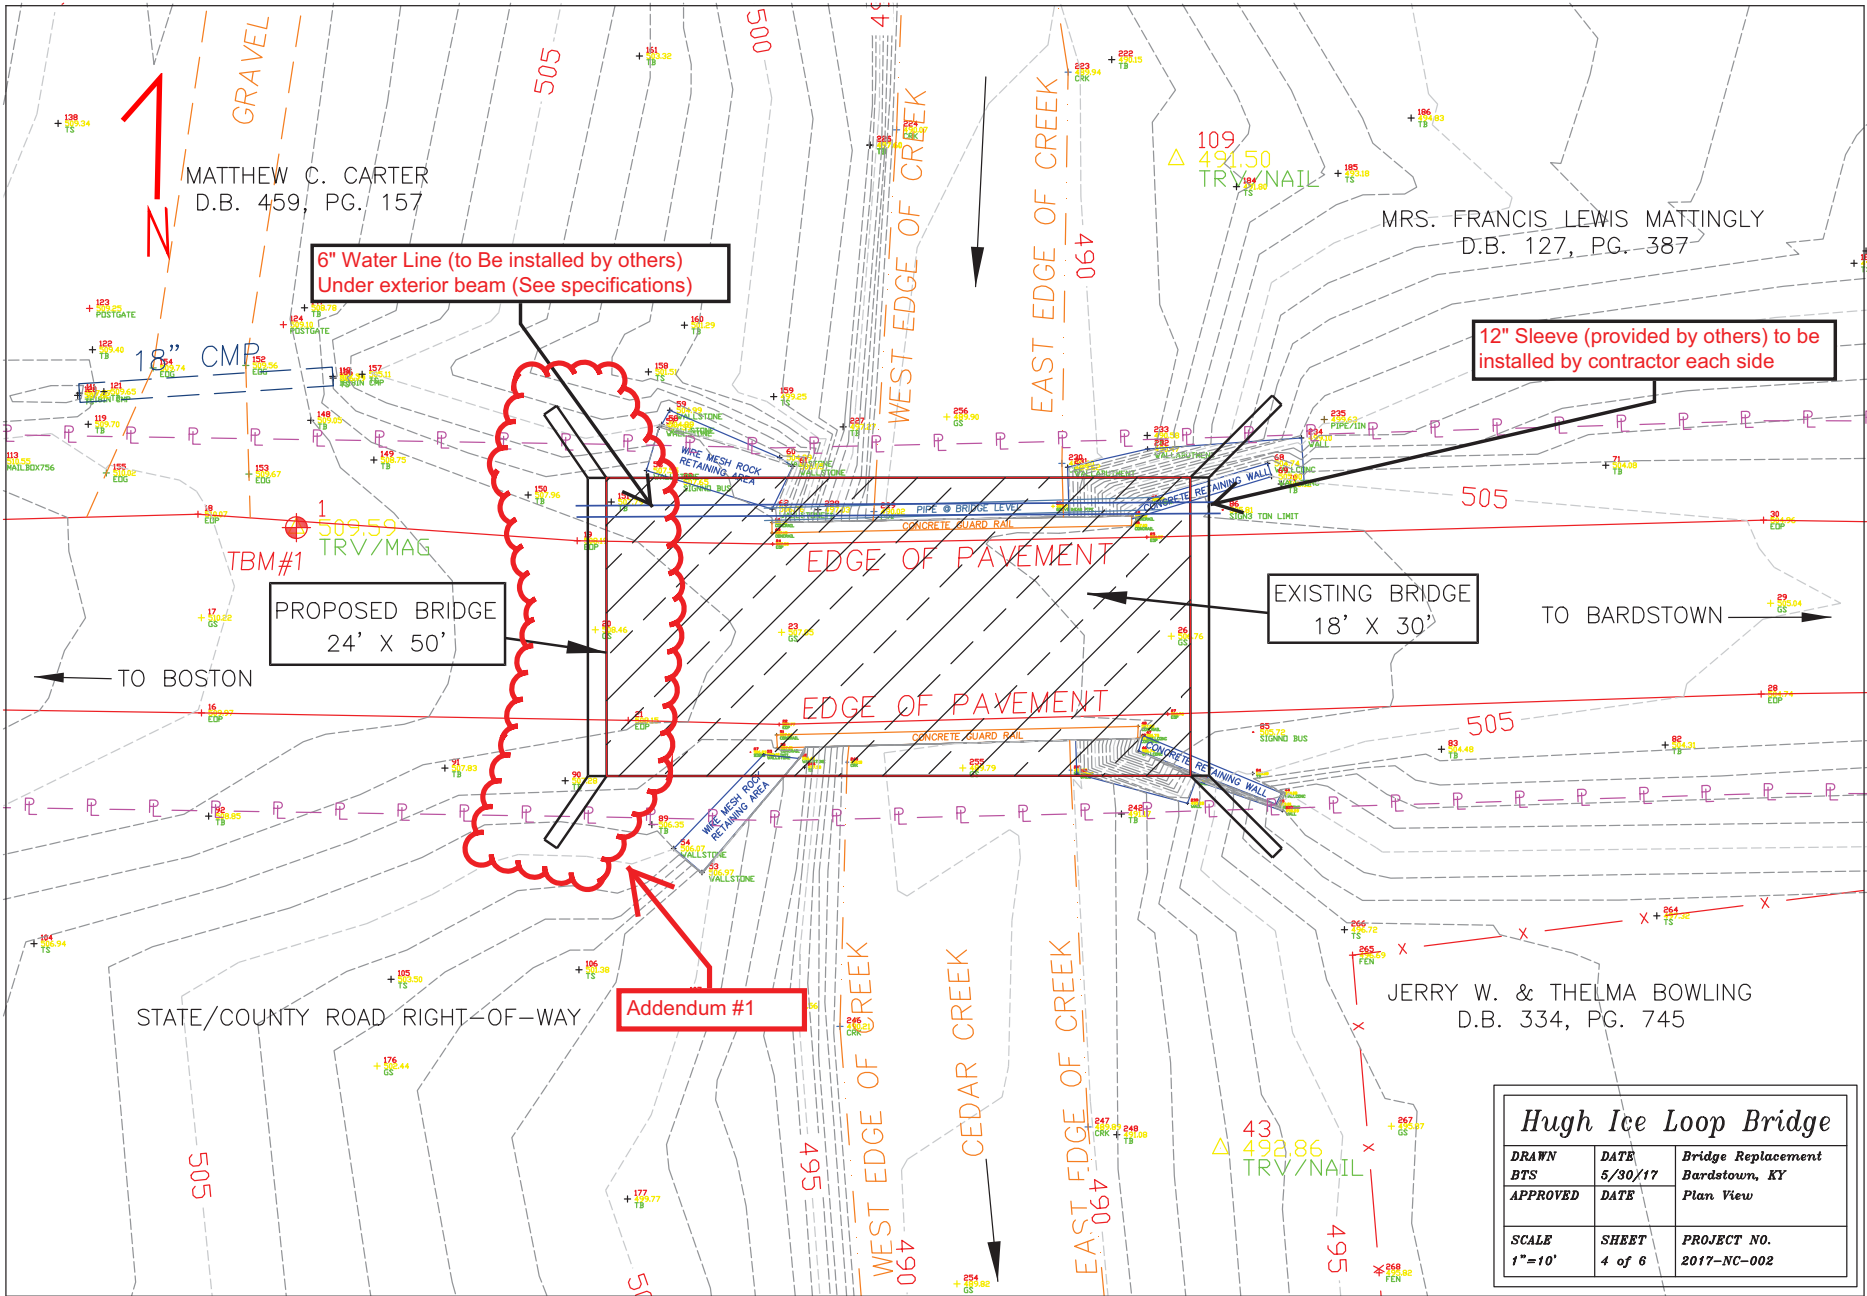

Located

on

Hugh Ice Loop, Bardstown, KY

The following changes/additions shall be added to the requirements for Project 2017-NC-002. Any addition costs associated within Addendum #1 shall be included as noted.

- 1.** The West Abutment shall be constructed per the Kentucky Department of Highways Standard Drawing # A-0024-02. The north wing-wall of this abutment shall be field skewed to ensure not to extend past the existing northern ditch line.
